

Ready, Set, Go!

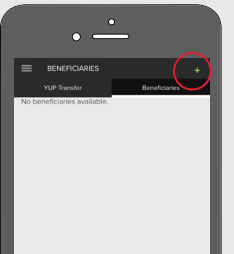

Link your SG Connect app to your YUP today.

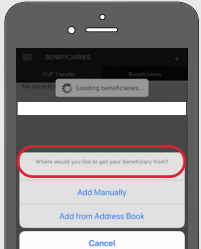

How to link SG Connect to YUP

1  Login to connect and select yup transfer

2  Click on the select beneficiary tab

3  Click on the green PLUS (+) icon at the top right corner add a beneficiary

4 

1. Click on beneficiary and add manually
2. Type in your First name and then Surname (Beneficiary)
3. Type the phone number used for YUP enrollment, starting with: **+233 xxx xxx xxx**
4. Tap on provider (You will see YUP and tap on YUP)
5. Validate number by tapping on the tick sign on the top right corner

After successful validation, transfers can be initiated from connect to the YUP wallet.

NB: TRANSFERS TO YUP FROM CONNECT TAKE A MAXIMUM OF 1MIN TO REFLECT ON THE YUP WALLET.

! To be able to link **CONNECT** to **YUP** successfully, the phone number for **YUP** and **CONNECT** must be same.

All issues identified should be directed to the contact centre on **0302-214-314**
