PUBLIC NOTICE - DORMANT ACCOUNTS

The Bank of Ghana (BOG) has issued the Unclaimed Balances and Dormant Accounts Directive, February 2021. The directive classifies an account as dormant after two years of no customer initiated or third party activity on the account; and further stipulates that all accounts, which have remained dormant for a period exceeding five (5) years, shall be transferred to BOG.

By this communication, Customers are being given notice of the transfer of their accounts to Bank of Ghana, by the 27th of November 2026, following the dormancy of their accounts for more than five (5) years.

After the transfer, affected Customers may submit a written request for a reclaim to Societe Generale Ghana for validation and subsequently forwarded to the Bank of Ghana for the necessary reimbursement.

Customers are hereby invited to reactivate their accounts before the 27th of November 2026. The reactivation process can be initiated by completing a form at any Societe Generale Ghana branch nationwide.

Please access the website via the following link:
